**The clock is ticking...** and when winning comes down to the smallest fraction of a second, two-time WPRA World Champion Kelly Kaminski takes nothing for granted. That's why she rides "Rocky." And why she insists on Nutrena® advanced performance horse feeds for her championship runs. No, we don't stop the clock. We just make it feel that way.

Nutrena®. The Official Feed of the NBHA and the industry leader in advanced equine nutrition. Run with it.
